Dear *Mr. V. Vasanthan*,

OPEN DAY 1985

We are writing to invite you to participate in our "OPEN DAY" which we are holding on Sunday 08 December 1985 from 3 pm to 8 pm. The purpose of this is to meet all our friends and supporters and exchange a friendly word about our work and our problems.

As you are probably aware, we had a similar occasion last year on Sunday 9th September, which offered us a unique opportunity to meet and consult all our friends about the TIC's programmes and how it could be made more effective in creating an informed public opinion of the problems of the Tamils in Sri Lanka amongst the international communities.

We value the opportunity of meeting you and we are looking forward to seeing you at our "OPEN DAY".

Thanking you

Yours sincerely

*S. Mumpal*
