Dear Dr.Ketheswaran,

Helping Jaffna University Students from Vanni

Further to our letter dated 26.05.2009 on the above subject.

I am sending herewith the details of the Vanni students as requested by you.

These students lost contact with their family members for quite a long time due to the recent war.

Those who were in Vanni are now detained in refugee Camps and the students have no contact with their parents/guardians.

The life hoods of those in Vanni were completely destroyed in the war and they themselves are at the mercy of International Community for their subsistence.

The Bread winners of the family were either displaced or killed by the recent Vanni war and as a result the students were compeled to depend on the benefactors for their food, clothing, shelter and educational needs.

These students also affected mentally and physically due to this war and they are finding it difficult to concentrate their studies.

Thank you very much for your kind request.

Sincerely yours,

Prof.N.Shanmugalingam.
Vice Chancellor.
