Nelliady Massacre of May 4, 2006

Nelliady is a central town situated in Vadamarachchi on Jaffna- Point Pedro road. It is a densely populated town with several trade centers. "Raja Kiraman," a small settlement in the suburb of Nelliady Town, is populated with marginalized people who are daily wage-earners.

Horrible day

On Thursday, May 4, 2006 at 1:00pm, seven young people of the Raja Kiraman village were on the way to their friends birthday celebration taking some ligger and some food in two three-wheelers. The eye-witnesses said, "It was raining heavily. These two three-wheelers were stopped and checked by the Sri Lankan security forces and the passengers were asked for their identity. Then the Army let them proceed on with their journey. No sooner had they left than there were several gun-shots and an R.P.G attack on their vehicles."

While people were afraid to go to the spot at the time of the attack, people were also prevented from going to the spot by the Army. One eyewitness commented that there were soldiers on the road every 10 feet.
